

It's "Business as Usual" With Our Loaner Program

Your business depends on the efficiency of your office machines. If you have experienced the untimely failure of any piece of equipment, you know the frustration and loss of productivity that follows.

Your customers expect your business operations to run smoothly at all times. Their patience wears thin when your staff is unable to meet their needs. Our loaner program ensures you will never miss a sale or disappoint a customer because of non-working equipment.

When your business equipment fails, call THCS, Inc. immediately. We maintain a complete stock of reliable office equipment including:

- Computers
- Printers
- Copiers

We will promptly pick up your inoperative machine for repair and deliver a temporary replacement. Our top priority is getting your operations back to business as usual.

Scheduled Maintenance

Improve Your System's Performance

THCS, Inc. offers preventative scheduled maintenance plans that are designed to protect your technology investment.

We know you are busy, but without proper maintenance a computer glitch could bring your business to a screeching halt.

Let our certified staff:

- Check all hardware components
- Update system bios as necessary
- Run virus scans and updates
- Install current Windows software patches
- Test Internet connectivity and network connections for speed
- Remove temp/Internet temp files
- Clean all drives and power supply
- Check e-mail server for proper IP addresses

"Because the technology of tomorrow will undoubtedly change the needs of today, THCS, Inc. will always be here to support your changing productivity requirements."

--H. Nguyen, CEO

Buy or Lease

Need a New Computer?

We carry a complete line of custom built and factory direct computers. Our custom systems are designed for excellence. We pack each one with powerful innovative technologies, in addition to providing:

- *A free consultation with one of our associates to establish system requirements*
- *A one-year warranty on parts and manufacturer's warranty*
- *On-site installation*
- *Better pricing than superstores and superior customer service*

Why Consider Leasing?

Leasing your new computer can:

- *Reduce the risk and expense of maintaining aging equipment*
- *Increase your cash flow without a large initial investment*
- *Keep your system current as new technology emerges*

Not sure whether to buy or lease? Meet with one of our trained staff to assess your needs and help you choose the best system for you.

Network Installation

Affordable Solutions For Home or Office

Whether you need to connect two workstations in your home office or hundreds of workstations and servers in remote offices, THCS, Inc. has a budget conscious solution for your unique needs.

Before any network set-up, we review your plans for growth and increased productivity. This is an essential step in providing a sound and stable network system critical to your daily operations.

Networking enhances your environment by maximizing your current resources. Printers, databases, accounting systems, and Internet access are commonly shared.

Our Novel and Microsoft certified staff specializes in:

- DSL
- WAN
- LAN

THCS, Inc. can modify and expand existing networks, emphasizing the importance of maintainability and reliability.
